

## Web-based Resources and Supports Are Available!

The Office of Developmental Programs (ODP) maintains a number of websites and online resources which provide information and support to individuals, families, and business partners. These resources are tailored to the interests of specific audiences and are regularly updated. People using these sites will find information, media-rich content, and opportunities for online learning.

### Websites and Information Centers:

#### Office of Developmental Programs Consulting System Website

This website, available to anyone, provides information on ODP priorities and links to many resources.

[Click here to learn more](#)

*Click here to see a navigation video of the ODP Consulting website:*

[http://winstreamer.tiu11.org/OCS\\_FINAL\\_021210.wmv](http://winstreamer.tiu11.org/OCS_FINAL_021210.wmv)

#### Supports Coordinator Curriculum Website

The Supports Coordinator Curriculum Website (SCC) contains online ODP Required Supports Coordinator training and Professional Development courses as well as related communications for Supports Coordinators and Supports Coordinator Supervisors.

[Click here to learn more](#)

#### Administrative Entity Information Center

The Administrative Entity Information Center (AEIC) is specifically tailored to supporting Administrative Entities in meeting responsibilities as ODP business partners. On this website, AEs will find online required courses and information necessary to managing services.

[Click here to learn more](#)

#### Supports Coordination Organization Information Center

ODP maintains the Supports Coordination Organization Information Center (SCOIC) to post announcements and resources to assist Supports Coordination Organizations in keeping up to date with ODP priorities, business practices and communications.

[Click here to learn more](#)

#### Provider Information Center

The Provider Information Center (PIC) is a resource used to consistently communicate ODP Business Practice Information on areas of interest to providers, such as cost reporting and provider billing and payment. Online training for providers, cost report information and resources are available on the PIC.

[Click here to learn more](#)

#### College of Direct Support/Pennsylvania

ODP contracts with the College of Direct Support (CDS) to provide interactive online learning for direct support professionals, supports coordinators, and managers.

[Click here to learn more](#)

#### Learning Management System

The Learning Management System (LMS) provides online training, resources, and registration for instructor-led training for Administrative Entity, Supports Coordination Organization, and provider staff.

## Online Resources:

### Supports Coordinator and SC Supervisor Electronic Resource Guide

This easy to navigate online resource provides information and links resources that Supports Coordinators and SC Supervisors use in performing their everyday work responsibilities.

*The Supports Coordinator and SC Supervisor Electronic Resource Guide is available on the front page of the Supports Coordination Organization Information Center and under Resources on the Supports Coordination Curriculum website.*

### ODP Provider Handbook

Developed as a “how-to” guide for those interested in providing ODP services, this online resource also contains useful information, resources, tips and links for established providers.

*The Provider Handbook is available on the front page of the Provider Information Center and on the Department of Public Welfare website ([www.dpw.state.pa.us](http://www.dpw.state.pa.us)) under Provider Information > Mental Retardation Services > Provider Related.*

## Using online resources

Some resources may require software. The following products are free downloads; always check your organization’s download policy before installing any software.

Adobe Reader™ for resources in PDF (portable document format) is available at [www.adobe.com](http://www.adobe.com)

Adobe Flash Viewer™ for viewing commonly used video formats is available at [www.adobe.com](http://www.adobe.com).

QuickTime™ for video using this format is available at

<http://www.apple.com/quicktime/download/>

Windows Media Player®, used in some College of Direct Support lessons, available

at: <http://www.microsoft.com/windows/windowsmedia/>

**Description:**

This site is designed to provide up-to-date information and resources to anyone interested in Pennsylvania's system of supports and services for individuals with intellectual disabilities. The materials on this site are approved by the Office of Developmental Programs (ODP) / Pennsylvania Department of Public Welfare. ## College of Direct Support

<http://www.collegeofdirectsupport.com/pa/>

### Description:

The College of Direct Support (CDS) is a nationally recognized web-based curriculum built on contemporary emerging practices in the profession of direct support for people with developmental disabilities. The CDS Curriculum is based on nationally validated competency sets and ethical guidelines, including the Community Support Skill Standards (developed by the Human Services Research Institute) and the National Alliance for Direct Support Professionals' Code of Ethics.

### Content:

- Important information for many people throughout Pennsylvania's system of supports for individuals with developmental disabilities, including those people receiving support, families, and Supports Coordinators
- Self-paced learning modules that integrate the principles of respect, self-determination, person-centered thinking and inclusion
- Lessons meeting training requirements for Supports Coordinators and other ODP licensed programs
- Courses designed for frontline supervisors, managers, and human resource personnel
- A course in the underlying principles and development of Pennsylvania's Individual Support Plan
- Human Resource management tools that provide organizations with valuable information about the effectiveness of their employee recruitment, training and retention practices

### Access:

- Individuals receiving supports through Pennsylvania's developmental disabilities system and their families have free access to the CDS
- Providers can access the CDS for a fee
- ODP, AE and SCO staff also have access to the CDS, provided by the Department of Public Welfare
- Each agency's CDS Administrator is able to customize lesson assignments and obtain reports and other information
- More information and step-by-step instructions:

## Home and Community Services Learning Management System

<https://www.humanservices-r.state.pa.us/HCSISLMS/>

### Description:

The Learning Management System (LMS) contains information about the Home and Community Services Information System (HCSIS). HCSIS users and Certified Investigators can access the LMS to register for training and access documents that detail HCSIS functionality and related resources.

### Content:

- The LMS is the best source for retrieving the latest information about HCSIS. On the LMS, users can:
  - View all the HCSIS training materials regarding how to perform functions in HCSIS.
  - View the details of the changes made to HCSIS.
  - View the Release Communication documents.
- For Certified Investigator classes, users can:
  - Register for a certified investigator class.
  - View certified investigator test results and recertification requirement notices.
  - Print Certified Investigator certificate.

### Access:

- ODP, AE, SCO and provider staff are able to access materials appropriate to their responsibilities with a username and password assigned by the local LMS Administrator.
- Local LMS Administrators can be found by clicking the “*Forgot your login ID?*” link on the homepage of the LMS. Local LMS Administrators can answer questions about roles, create LMS IDs and reset user passwords.

### Questions and Help:

For LMS help, click on the “*LMS Support*” link on the homepage:

[https://www.humanservices-r.state.pa.us/hcsislms/pgm/html/lms\\_support.html](https://www.humanservices-r.state.pa.us/hcsislms/pgm/html/lms_support.html)
